Please read these conditions carefully as they apply to all Qantas Holidays bookings.

Suppliers: Qantas Holidays is not itself a transport, tour, event or accommodation provider. In making your travel arrangements we act only as an agent for the airlines, hotels, tour operators and other suppliers who supply those services. You should obtain and read the applicable supplier’s terms and conditions as they may limit or exclude their liability to you.

How to book: Contact your licensed AFTA travel consultant, who will be responsible for managing your booking and forwarding your payment to us. You will be deemed to have accepted these conditions on behalf of everyone named in your booking. Please note that all requests for bookings are subject to availability.

Booking fee: Your travel agency may apply a booking fee in addition to the price of your holiday package. Please check at the time of booking.

Payment: A non-refundable deposit is payable within seven days of confirmation of your booking:

- domestic (within Australia) $55 per person
- international $165 per person
- plus any additional deposit required by suppliers (you will be notified at the time of booking)

Payment of the balance in full is required at least 30 days before the scheduled commencement of your holiday (or earlier if specified for the particular package). For bookings made within this period, full payment is required at the time of booking.

If you have not paid by the due date, we may cancel your booking and retain your deposit.

Cancellations: If you cancel your booking, the amount of your deposit will not be refunded, including deposits required by suppliers. If you have paid the balance of your holiday price, suppliers may also impose cancellation fees amounting to all or part of the total price paid. Once your holiday has commenced, you cannot cancel or obtain a refund on any component of your booking regardless of whether you use it.

Changes by you: If you change your holiday package and your documents need to be reissued, a change fee is payable at the time of the change:

- domestic (within Australia) $27
- international $25
- plus any cancellation / change fee imposed by suppliers for any component you cancel.

Unforeseen changes: If we have to change any part of your booking, for example, if an airline changes its schedules or your chosen accommodation is no longer available, or if there is an increase in the price due to additional taxes or supplier charges, we will notify you. You will have the option of cancelling your booking, in which case we will refund the amount you have paid, less deposit and any cancellation fees imposed by other suppliers.

International travel: Each passenger is responsible for their own visa, passport (with at least 6 months validity), immunizations, quarantine, customs, health and other requirements of the countries to be visited or transited through. Qantas Holidays makes no representations as to the safety, conditions or other issues that may arise at any destination. Travel advice is available from the Australian Government at smartraveller.gov.au.

Limit of liability: To the maximum extent permitted by law, Qantas Holidays excludes all liability for direct, indirect, consequential or incidental damages, lost profits or savings or damages for disappointment. Our liability for a breach of condition or warranty implied by law or otherwise, and which cannot be excluded, is limited to the extent possible, at our option to the supply of the services again or the payment of the cost of having the services supplied again.

Insurance: Qantas Holidays recommends that all passengers take out adequate travel insurance to cover cancellations, health requirements, luggage and valuables, etc.
